

# 2023 **ANNUAL** REPORT

# Honoring the past, funding a brighter future.

Weaving together a diverse tapestry of giving that encompasses history, the environment, cultural institutions, and health and human rights, TAWANI Foundation strongly reflects the interests and outlook of its founder, COL (IL) Jennifer N. Pritzker, IL ARNG (Retired), whose children, Tal, Andrew, and William, inspired the Foundation's name.

TAWANI Foundation's grantmaking is aimed at making a broader world of good, one that combines a deep respect for how far we've come with a steadfast optimism for how far we can go.

**In 2023, TAWANI Foundation granted \$8,166,622 in funding to 107 unique organizations in 16 states.**
